Directors receive meeting materials, which are complete and accurate within a reasonable period prior to the meeting. Upon conclusion of the meeting, the minutes are circulated in a timely manner.

<b>Application</b>	: Applied
<b>Explanation on application of the practice</b>	<p>Each Director has full and unrestricted access to all information pertaining to the Group's business affairs, whether as a full Board or in their individual capacity, to enable them to discharge their duties.</p> <p>The Directors will be informed by the Company Secretaries of the annual meeting calendar in advance of each new year to facilitate the Directors' time planning. The calendar that provides Directors with scheduled dates for meetings of the Board and Board Committees and the Annual General Meeting ("AGM"), as well as the closed periods for dealings in securities by Directors based on the targeted dates of announcements of the Group's quarterly results were circulated and tabled at the Board meeting held on 29 November 2021.</p> <p>The Board meets quarterly to review financial, operational and business performances, with additional meetings convened when necessary. The Board endeavours to deliberate on all important and material matters at physical/virtual meetings, however where urgent and unforeseen matters require a decision of the Board and a physical meeting is not possible, the available Directors endeavour to arrive at a consensus by conferring via telephone or other electronic means. The Board may make routine or administrative decisions via circular resolutions. In all cases, the Board decides after receiving the information it requires for an informed decision.</p> <p>All Directors are provided with an agenda and a set of agenda papers at least 5 business days prior to the Board and Committee meetings to enable the Directors to review and consider the items to be deliberated at the meetings. The Board papers include, inter alia, the progress report on the Group's developments, business plan and budget, quarterly financial results and minutes/decisions of meetings of the Board Committees. The Directors may seek advice from Management, or request further explanation, information or updates, where necessary. Additionally, the Board may receive further updates, reports and information to ensure that it is apprised of the latest key business, financial and operational matters.</p> <p>In May 2016, the Company implemented a paperless environment for all the Board and Board Committee meetings, using a solution that stores meeting documents digitally in a secured manner. This enables</p>

	<p>the Directors to access agenda papers via iPad instead of distribution of hard copies. In addition to agenda papers, various documents such as the Company’s constitution, terms of reference, policies, rules and guidelines are also uploaded using this solution for convenient reference. With this initiative, Directors are able to have access to these documents in a timely and more efficient manner.</p> <p>At the Board and Committee meetings, members of Management who attend Board and/or Board Committee meetings by invitation, will report and update on areas within their responsibility to give the Directors thorough insights into the business and affairs of the Group. The Board is also provided with relevant information in between Board meetings, such as important financial and operational updates.</p> <p>At Board meetings, the Chairman encourages constructive and healthy debates, and Directors are free to express their views. Any Director who has a direct or deemed interest in the subject matter shall abstain from deliberation and voting during the meeting. The proceedings of and resolutions passed at each Board and Board Committee meeting are minuted accordingly.</p> <p><b>Access to Independent and Professional Advice</b></p> <p>The Board or an individual Director may seek professional expert advice at the Company’s expense with prior approval from the Board on any matters in relation to the discharge of their responsibilities, when considered necessary.</p>
